CIGNA IMPORTANT UPDATE

CIGNA PRE-APPROVED PREGNANCY SERVICES

**Delivered by national compounding pharmacy when prescribed by physician based on a patient's individual medical need. Makena® ordering and fulfillment must be arranged by physician.*

17P or Makena® Administration Nursing and Care Management

- Weekly administration of compounded 17P* or Makena®, in home or at work
- Weekly, in-person maternal/fetal assessments
- Intensive follow-up management resulting in average 98% injection compliance rate

Diabetes in Pregnancy - NEW Diagnosis to Delivery

- Maintain normal blood sugar levels during pregnancy
- Daily clinical assessment of BG values by RN/CDE
- Step-by-step patient support and education

Nausea & Vomiting of Pregnancy

- Continuous medication infusion management
- Reduce need for hospitalization
- Clinical OB pharmacists dosing oversight

It's easy to get started. To refer a patient to **Alere**, please call **1-800-950-3963** or to learn more visit **alere.com**.
