Dear Druid Hills resident:

In the months ahead, our neighborhood will face some critical decisions about its future. The Druid Hills Civic Association would like to hear from residents before these decisions are made. You can take the Druid Hills Survey online at <http://druidhills.org/survey> but **you will need the five-digit login code on this postcard**. So please hold on to this postcard.

The **deadline for the survey is November 10**, so please take the survey today!
We want to hear your voice.

If you cannot take the survey online or would prefer a paper survey, please call 404-373-4616.
